DIRECTIVE	RATIONALE	ACTION PLAN
<p><b>Directive #3</b></p> <p>Organizations must conduct an open competitive procurement process where the estimated value of procurement of goods or services is \$100,000 or more.</p>	<p>Certain supplier engagements &gt;\$100,000 in annual spend have not been procured in compliance with the new legislative requirements and, others have been strategically single sourced with the support of senior management to maintain operational effectiveness.</p>	<p>The hospital will continue to execute a Sourcing Strategy, maximizing the available resources required for each competitive bidding engagement. This strategy includes tendering legacy contracts set to expire, capital and service requirements and new opportunities that arise based on organizational strategic priorities. The hospital will also continue to oversee the process of strategic single sourcing decisions to ensure all stakeholders are aligned with the decision in accordance with the hospital's Signing Authority Policy.</p>
