LONDON HEALTH
RESEARCH DAY 2017
DRIVING INNOVATION THROUGH COLLABORATION

LONDON HEALTH RESEARCH DAY

DATE: Tuesday, March 28, 2017
LOCATION: London Convention Centre

You are invited to London Health Research Day, presented in partnership by Lawson Health Research Institute and the Schulich School of Medicine & Dentistry. Showcasing poster and platform presentations from top graduate trainees and postdoctoral scholars, this premier research event is your opportunity to learn about health research being conducted across the city of London.

Guest registration required by March 22: londonhealthresearchday.ca
